"The impact of friendship and inclusion has been seen throughout St. Norbert, Sylle Hopp, and the Green Bay community through the relationships established through Best Buddies. My hope is that the friendships created through Best Buddies will spark inclusion and respect for the strangers we meet beyond St. Norbert's campus."

-Shannon Salter '18, President

"Best Buddies is an amazing organization, and its impact spreads far and wide. I joined Best Buddies to make a difference in SNC students' lives, and to make a difference in the lives of students in our community with developmental and intellectual disabilities. This organization has taught me that my words have an impact, as well as my actions. Through the leadership and communication skills that this organization has taught me, I am forever thankful for the relationships I've built and the lifelong friendships I've made through Best Buddies."

-Katie Potter '18, Vice President
