### Question:

Dear Abbot Pennings,

As time passes from our graduation date I have started to lose track of some of my St. Norbert friends. Addresses change so fast as people get new jobs, shift careers or get married. Can you help me locate them?

Kristin Michails '03

### Answer:

Actually, this is a question that is often asked of the staff at the alumni house on campus. To best protect your privacy, personal contact information is not released without permission.

The online directory has been a great tool for helping alums connect, while safeguarding their privacy. If you can't find the person you are looking for online, please get in touch with the **office of alumni and parent relations**. They will help facilitate a connection between you and the person you are hoping to locate.
