The Village Project

The Village Project is the Academic Service-Learning component of the Educational Psychology course. Students in this course serve in high poverty schools to develop as teachers while meeting a community need.

14
Semesters

599
Participants

18,547.85
Hours
Served

Over the last 5 years...

Served over 6,000
Green Bay youth

We have worked with the YMCA, Boys and Girls Club and Green Bay Area Public Schools to serve students in 12 different schools.

Improved
volunteer training

The Village Project's Impact on:

St. Norbert Students

"The students really inspired me, and I hope that I did the same for them because they are the reason that I want to continue with this profession."

- Village Project Participant

Green Bay Area Youth

"The help and emotional support they provide the students at program will be missed."

- Site Director, Doty Elementary

BOYS & GIRLS CLUB
OF GREATER GREEN BAY
