Emmaus Center - Encounter and Catholic Relief Services

These groups consist of students who want more opportunities for both service and reflection. Twice a month, Encounter students go out to different ministry sites for service and reflection. Catholic Relief Services Student Ambassadors focus on issues important to CRS which are Human Trafficking, Climate Change, Global Hunger and Migration. This year, Student Ambassadors focused on Human Trafficking.

Student participants in these programs have served over 120 hours and have sold over \$1,000 worth of fair trade items!
