# ABOUT ME ALL

## Hi! I'm Elizabeth...

Like any artist, I have my own signature style that is reflected in my artwork. This includes a simple yet bright color palette that draws the audience eye. As a graphic designer, I take a lot of inspiration from the grunge designs of the 1990's as well as artists such as Shepard Fairey. As a photographer, my inspiration comes from everything around me. With the use of dramatic lighting and high saturation to better bring out the beauty I see in my photography.
