# The Norman Miller Center

The Norman Miller Center for Peace, Justice & Public Understanding cultivates awareness, compassion and commitment to justice and the building of sustainable peace. We are informed and hopeful realists who champion human dignity and partner for change, promoting hope through action.

250+ students stopped by our "Vote Together" table on Election Day

The ward in which St. Norbert resides had a voter turnout of nearly 70%!

We increased civic engagement & drove up voter turnout

## Vote Together Event

Teaching students the importance of being active participants in our democracy

We hosted 3 voter registration drives for students

81 students were shuttled to the polls, totaling over 8 hours of driving

6 volunteer drivers  
2 professional staff  
9 student staff
