ABBOT PENNINGS HALL OF FINE ARTS

To You . . .

ABBOT PENNING'S HALL OF FINE ARTS

. . . We Dedicate

DES PERES  
ST. NORBERT COLLEGE  
WEST DE PERE, WIS.

Dear Benefactor:

In this year of progress at St. Norbert College, it is indeed fitting that we dedicate the 1955 edition of the Des Peres to those individuals through whose generosity our building program became a reality.

Presently under construction on our campus is the ABBOT PENNING'S HALL OF FINE ARTS, a monumental tribute to the man who was the founder of this institution of higher learning, and its active president until his unfortunate passing this Spring. The construction of ABBOT PENNING'S HALL would be impossible had it not been for the more than two hundred individuals and business places who contributed.

As all donations are not tabulated, it is impossible to list the donors here. It is our sincere hope that those who gave might realize the great feeling of gratitude on the part of the students, faculty, men and women, and all those in any way connected with St. Norbert College.

Your action could never go unheralded. To you, we, the staff of the 1955 Des Peres, say "thank you—and may God bless you."

THE DES PERES STAFF

In Memory of

Our Founder

The Rt. Rev. Bernard Henry Pennings, O. Praem. died at the age of 93 March 17 after 57 years as a spiritual leader in De Pere. The founder of the Premonstratensian Canons in America, abbot of St. Norbert abbey, President and founder of St. Norbert College, Pastor of St. Joseph Church, and De Pere's first citizen was laid to rest in the Norbertine plot in Mt. Calvary cemetery.

Admitted to St. Vincent's Hospital, Green Bay, on March 11 with a pulmonary condition and complications brought on by old age, Abbot Pennings died there.

The burial March 23 followed the last of four Requiem Masses offered for the repose of the Prelate's soul.

The first three funeral Masses were said at St. Joseph's shrine, where his body lay in state from Friday, March 18, until after the third Mass on Tuesday. Thousands of people visited the church to view the body of the beloved Abbot and to pay their final respects.

Following the parish Masses, the body of Abbot Pennings was moved to St. Francis Xavier Cathedral in Green Bay where it was in state until after the funeral services.

On Nov. 25, 1893 Abbot Pennings reached the mission at Del-wich, now Fairland, in Door county, with a companion, Brother Servatius who died here on May 7, 1925.

In September of 1898 he founded St. Norbert priory at St. Joseph's shrine, West De Pere, and was appointed first prior.

The early start of St. Norbert College began when the Abbot gave his first lesson in Latin to a native of De Pere, Francis Van Dyke.

He received a papal brief which decreed the priory at De Pere officially separated from Berne Abbey as an independent priory on November 5, 1902. And on February 10, 1925 Abbot Pennings was appointed the first abbot of the Norbertines in America. Then, on May 27, 1925, he was blessed as abbot of St. Norbert Abbey.

Pope Pius XI granted the Abbot the right to wear the Cappa Magna on June 6, 1934, the 800th anniversary of the death of St. Norbert, and two years later the privilege to wear the purple biretta, a right usually reserved for bishops.

Travelling to America, his nephew, Father Ambrose Pennings, who is a Norbertine at Berne Abbey, attended the Abbot's golden jubilee of ordination to the priesthood on June 19, 1936. Another golden jubilee he celebrated was that of pastor of St. Joseph Church, July 1, 1950.

Members of the Norbertine order in America in August 1947, elected Abbot S.M. Killeen as co-adjutor to assist Abbot Pennings in administrative duties. The election was conducted by Abbot

Herbert A. Noots, Abbot General, Rome, world head of the order.

March 19, 1951 he received the honor of Knight of Order of the Crown, the second highest award made to foreigners by the Belgian government.

On the occasion of his 90th birthday, June 9, 1951, he received a telegram from Pope Pius XII naming him the Knight Commander of the Order of the Holy Sepulcher.

Two months before his death, he turned over the first spadeful of dirt and blessed the sites for two new college buildings: Abbot Bernard H. Pennings Hall, and auditorium and fine arts building, and Frank J. Sensenbrenner Hall, new residence hall.

In the text of his sermon delivered at the Pontifical Requiem Mass for Abbot Pennings, Father Michael J. McKeough, O. Praem. said: "The story of the growth of the order need not be repeated here, but this, I think, should be said, that at no time did he entertain any notions of grandeur for himself or his followers. He was not ambitious, he was not the kind to plan far ahead. His was the humbled submission to the will of God. As that will was manifested through the opportunities that came to the order he responded confidently and bravely."

"On Wednesday morning, the day before he died, Father McLaughlin, who was with him, reports that he suddenly seemed to be very alert and he began to talk: Blessed be Jesus in the Blessed Sacrament of the altar. There are a few things that I want to say . . . Almighty God gave me many responsibilities and I did the best I could. You will never realize the difficulties I had, but every day I did all I could and every day I asked Almighty God to help me. Don't worry about anything. Do the best that you can and Almighty God will take care of the rest. You are only to please God."

In the sermon delivered at the parish funeral Mass for the Abbot, Father Anselm M. Keefe said in part ". . . he was asked what was his secret for reaching such a ripe old age. He answered: 'I eat good; I sleep good; I smoke good; and I behave good.' . . . Abbot Pennings was saying, in other words, for all the world which cared to listen to hear: He was content with the food that was placed before him.

He refused to let the unimportant things of life disturb his peace of mind.

He accepted and enjoyed the simple relaxations that came his way.

He followed the dictates of his conscience, the sense of his vocation and left all else to God."

The events which stand out the most in our minds as the spires of the 1954-55 college year, are those extra-curricular activities that made us college men and women, as well as students.

## Junior Prom

"I Love Paris" was the theme of the 1954 St. Norbert College Junior Prom, held on May 7th. For the first time in many years the major social affair was held in our college gymnasium, allowing opportunity for the decorating committee to take full advantage of the possibilities of carrying out the colorful theme to the finest detail.

The French Garden Scene carried out the theme with flowers entwined through the theme with flower entwined through the picket fence, and murals depicting various French scenes. Maureen Hogan, and Bob Friedman headed the decoration committee.

Miss Patricia Ann Machurick reigned as queen, with her king and fiance, James Van Straten, president of the Junior Class.

The Queen's Court included Miss Maureen Hogan with Wade Neufeld, and Miss Donna Haanen with Francis Serrogy.

Top: The very danceable music was supplied by Richard Kent's orchestra of Milwaukee.

Second from Top: Father Mailhot's classes gladly pitched in to assist the Junior's in the tedious task of transforming the gym into a suitable atmosphere.

Bottom Left: Dancing by dim lights and soft music was, of course, the main attraction.

## Review

Each year in mid-May, the year long activities of the Reserve Officers Training Corps are climaxed by the Federal Inspection. The cadet battalion displays itself both in the classroom and on the parade grounds in the day long ceremony. Guest inspecting officers examine the rifles of each cadet, check the polished brass, and the freshly pressed uniforms. At the command: "Pass in Review," the battalion parades passed the officers and guests, showing the results of many days' preparation on the drill field.

# Commencement

Abbot Sr. Killeen gives the Pontifical Blessing: Asst. priest Father Jolicoeur; Deacon, Rev. E. J. La Mal; Sub-deacon Rev. R. K. Finnigan.

Graduation exercises for 57 St. Norbert College Seniors were held Saturday morning, June 5th. The ceremony took place in Van Dyke Gymnasium on the College campus. Highlight of the program was the presentation of an honorary degree to Dr. Edward A. Fitzpatrick, retiring president of Mount Mary College. The honorary Dr. of Laws degree was the eighth granted in the school's history.

Commencement Day activities began on the campus at 8 o'clock with a Solemn Pontifical High Mass of Thanks-

giving celebrated by the Rt. Rev. S. M. Killeen, the president of the College.

College seniors were presented for their degrees by the various heads of the college departments. Graduates with major work in biology were presented by the Rev. S. C. Becker, business administration and economics by the Rev. E. C. Killeen, education by the Rev. Ernest J. La Mal, English by the Rev. Patrick N. Butler, history by the Rev. Basil R. Reuss, mathematics by the Rev. Siard Haigli, philosophy by Thomas Phelan, and physics by the Rev. G. G. Claridge.

The conferring of the college degrees was carried out by the Rt. Rev. Bernard H. Pennings, with the presentation of diplomas by Bishop Bona. Abbot Killeen then read the charge to the graduates.

Providing a musical background for the graduation program were the college madrigal singers and the St. Norbert band. The choir was under the direction of the Rev. Dr. Robert A. Sromovsky and presented three selections, "How Blessed," "I Sing of a Maiden" and de Victoria's "Ave Maria."

The band, directed by Norbert Ecker, presented the processional, the Star Spangled Banner and the recessional accompaniment.

Lt. Col. Bernard G. Teeters, professor of military science and tactics, directed the swearing-in ceremony for 21 men who became lieutenants in the United States Army during the exercises. The men, all of whom have completed ROTC training at the college, received military assignments.

The Commencement address was given by the Honorable Charles J. Kersten LL.B., Member of Congress for the 5th Wis. Dist.

Graduates receive communion on Commencement day at Solemn Pontifical Mass.

# WEEK

Commencement speaker Rep. Charles J. Kersten (R.-Wis.) spoke on "Morals, Truth, and the Communist Conspiracy."

The eightieth honorary degree in the history of St. Norbert College, a Dr. of Laws Degree, was conferred upon Dr. Edward A. Fitzpatrick, retiring president of Mount Mary College, Milwaukee.

"Dr. Edward A. Fitzpatrick, a product of the common schools of the nation's metropolis, climbed the educational bean-stalk node by node until he successively received his Bachelor of Science, his Master of Arts and his Doctor of Philosophy degrees from Columbia University. As a truly Catholic layman, a leader among citizens, and educator of educators, as well as an author, editor and as a soldier, his contributions to social, educational and military problems both in our State and in our national government have been so numerous that they cannot be enumerated here. Of him it may well be said that he has carried more than his fair share of our common effort to raise the standards of American as well as Catholic education at every level, and is therefore justly entitled to the degree of Doctor of Laws, honoris causa."

# Summer

A total of 408 students enrolled in summer session courses of the 29th annual St. Norbert College summer school. The session, which officially began June 24, operated five days weekly through July 30.

An integral part of the overall summer school planning was the extra-curricular program which featured several concerts and nine lectures by nationally recognized speakers.

Of particular interest to the general public in the greater Green Bay area was the presentation of a full dress centennial pageant by the Menominee Indians of the Keshena reservation. The Menominee Indians of the Keshena reservation. The Menominees, who celebrated the 100th anniversary of reservation abode, depicted the centenary in drama and pantomime form on the College campus July 14.

# Homecoming

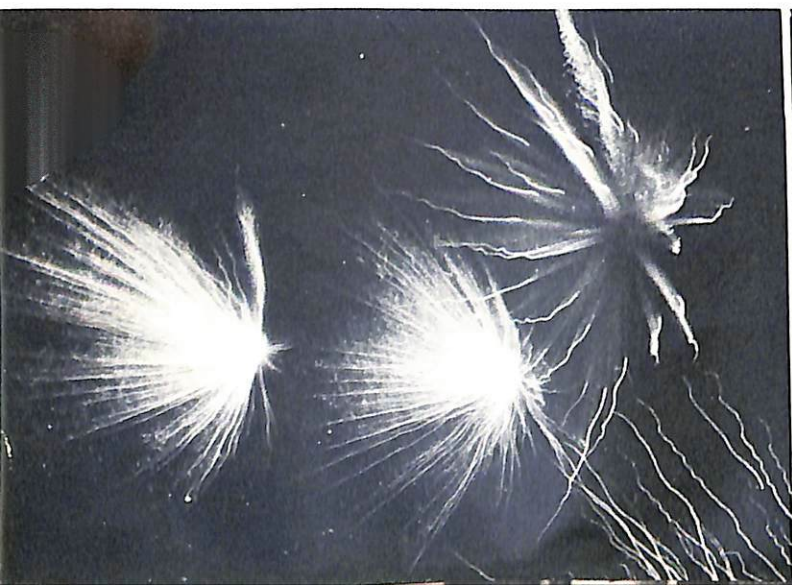

It all began at that convocation on Oct. 4th when Bill Nobles, general Homecoming chairman, gave the word on the plan of attack. Oct. 22nd and 23rd were the big days. Quite awhile in advance, organizations made plans and began constructing their floats at the fairgrounds. An election was held to determine who would reign as queen. Ballots were counted behind closed doors and the queen's identity was kept secret until the crowning ceremonies at the Homecoming Dance on Friday night in Van Dyke gym. The dance was preceded by a large bon-fire, and pep rally at which Mr. Jacobs, president of the Alumni inspired us with his "words of wisdom."

Saturday afternoon at 1 o'clock saw the lavishly decorated floats, led by the Band and ROTC battalion wind its way out to Minahan Stadium, where the queen, Miss Sue Nelson, was introduced to the fans at half-time.

The annual event was concluded, for the alumni, by a dinner (or 5th quarter) at the Riverside Ballroom.

## Mid-Year Commencement

Miss Joan DePrey of Green Bay receives her Bachelor of Science degree from the late R. Rev. Abbott B. H. Pennings.

Receiving their degrees at the mid-semester graduation ceremonies held Jan. 25, were sixteen seniors. The Rev. Roland J. Hoffman, commencement speaker, in the campus chapel, addressed the graduates, their parents and friends. He spoke on intellectual freedom and our Catholic colleges.

Also in the ceremonies, commissions in the United States Army were presented to five men who completed ROTC work.

The late Abbot Bernard H. Pennings, O. Praem, officiated at the graduation ceremony, with the Rev. Michael J. McKeough, dean of the college, making presentation of persons for the bachelor's degree.

The program was followed by benediction offered by Abbot S. M. Killeen, O. Praem. Music for the occasion was presented by the Abbey choir under the direction of the Rev. Robert A. Sromovsky.

Preceding and following the graduation program was an academic procession, with an honor guard of ROTC cadets under the command of Robert A. Hoerning, Cadet battalion commander.

## Retreat

The annual retreat for all college students began January 25, continuing through Jan. 27. The retreat ended Jan. 28 with Mass and the Papal Blessing.

The Rev. S. M. Wilson, a Jesuit priest from the Jesuit Mission Band, Oak Park, Ill. was retreat Master.

Father Wilson was born in Elgin, Ill., and entered the Society of Jesus in 1924. Attending Loyola University for two years, he went on to receive his A.B. and M.A. degrees in classics from St. Louis University. In 1940 Father Wilson received his degree in

Theology and S.T.L. from St. Mary's College, Kansas.

Father Wilson taught at John Carroll University, Xavier University and the University of Detroit such courses as Classics, philosophy, and religion. He was appointed the Chicago Mission Band superior in 1952.

The retreat was obligatory for all Catholic students but non-Catholic students were invited to attend as many conferences as they chose.

## Mil-Ball

The court consisted of Cadet Capt. James Van Straten and his fiancée, Miss Patricia Machurick; Cadet Capt. Joseph Lutz and his guest, Miss Patricia Reinhart, Cadet Maj. Lawrence Basten and his guest, Miss Ann Arndorfer; and Cadet Capt. Herbert Hoeft and his guest Miss Sue Nelson.

Cadet Lt. Col. Richard London and his fiancée, Miss Barbara Crooks, were among the court. Cadet Maj. Clint Peters and Harold Baeten attended the affair with their wives.

General chairman of the affair was William Snedic, with Robert Friedman in charge of publicity. The sponsoring organization for the yearly social event was the Future Officers Club.

## Federal Inspection

May 13th was the day for the annual Spring inspection of the ROTC battalion. The Inspection and review parade were held at eleven o'clock and despite it being "Friday the 13th" the weather was pleasant, and like words came from the inspecting Officer.

# Junior

King, Queen and court lead the Grand March.

The "First Lady" of the annual St. Norbert College Junior Prom was Miss Virginia Bradtke, sophomore co-ed from Green Bay. Her escort was James Roman-ski, junior class president, and resident of Wisconsin Rapids.

The theme of this year's prom was "Stranger in Paradise."

Standing: J. Meister, B. Mallette, Mrs. Schmitz.  
Seated: M. Masciadri, M. Lemerond, D. Whitman.  
Right: Fr. Jolicoeur gives the native pronunciation for some intricate French expression.

Mr. Gillespie, investment broker from Green Bay, gives Fr. Mailhot's Investment class some inside dope on the business.

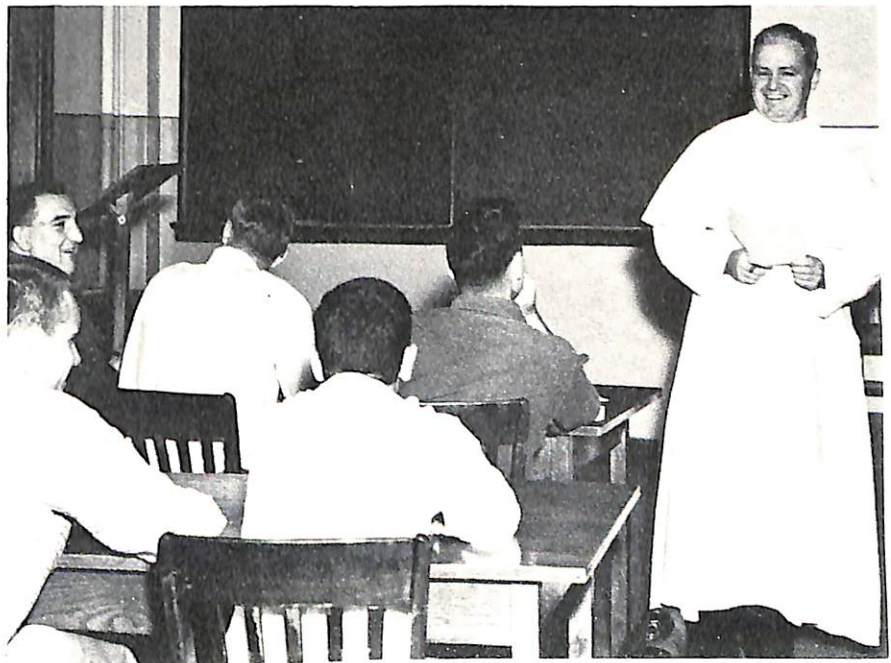

# Work

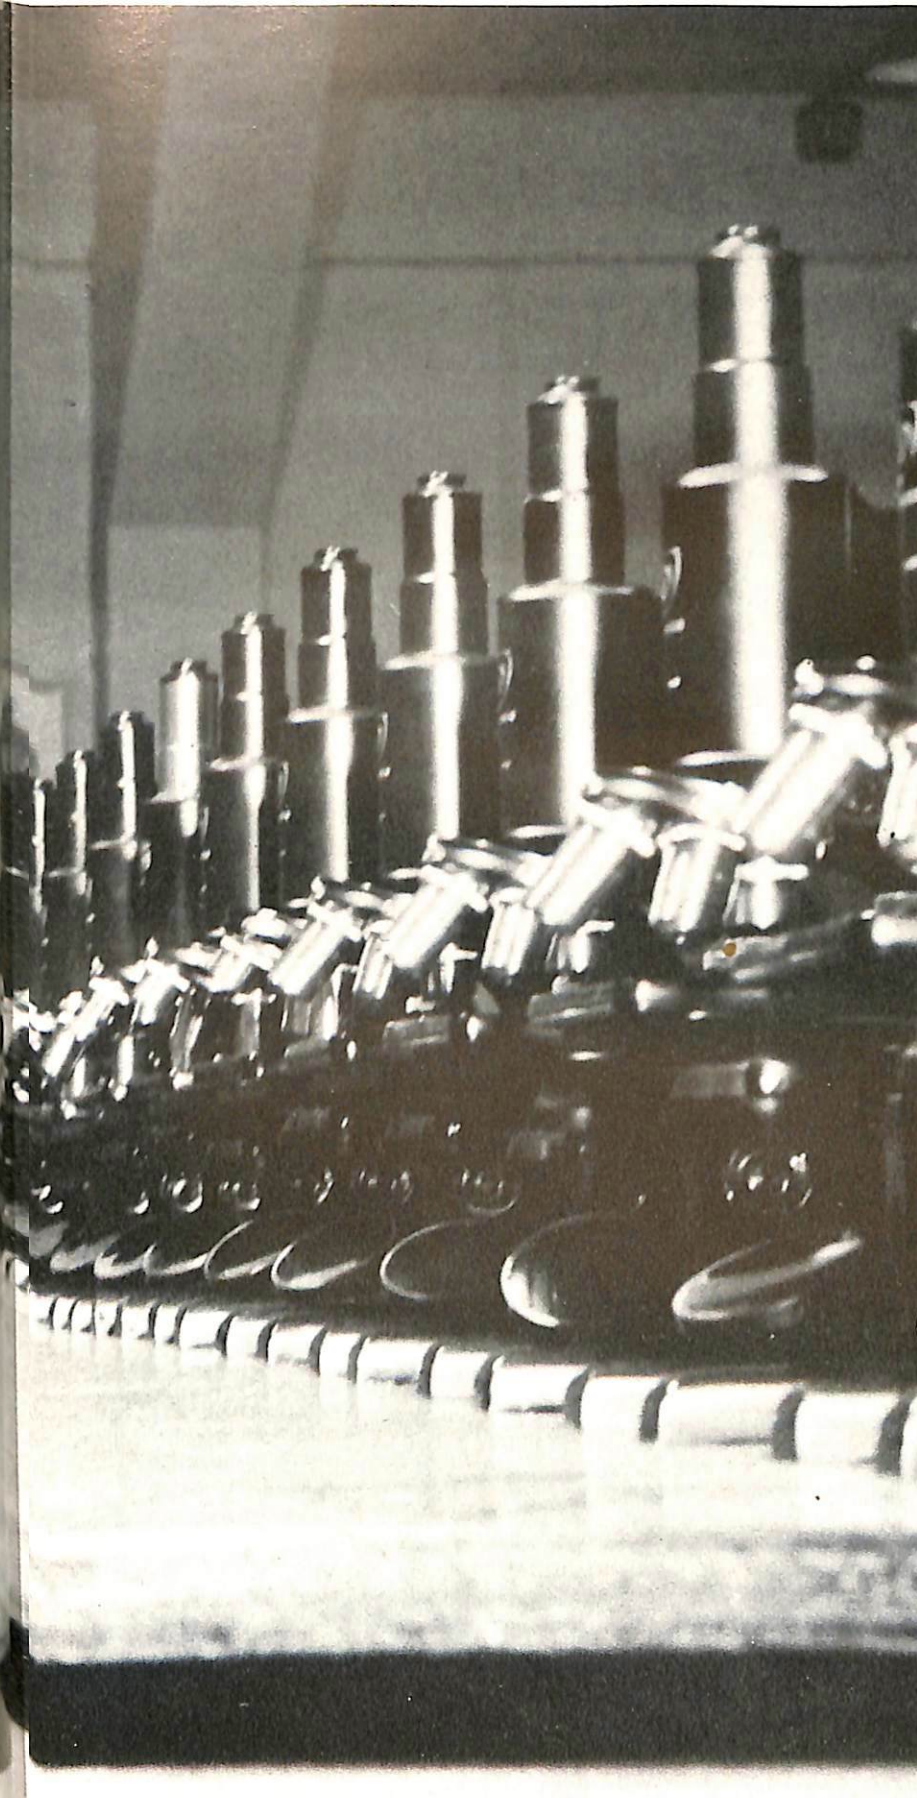

Above: Fr. Mailhot listens as some "wide awake" student "boils down" some pertinent article from the Wall Street Journal.

Left: Fr. Miron shows why men don't go around barking at cats.

Fr. Nolan gets a few chuckles from the lads on some young man's term paper.

To the people who are being graduated, their sheltered years of college are over and they are entering a new life. To the undergraduates, they are at but a step on their ladder of formal education. These people are the future leaders of the nation. Their success will make the world a better place in which to live.

Alpha Delta Gamma is a national Catholic social fraternity, with the purpose of uniting congenial minded men in a brotherhood of love and high respect.

This year again proved to be a very successful year as we participated in many events on the campus. Nancy Eklund, our candidate for Homecoming Queen, was elected to the court of honor. Also our float, which pictured a huge football just coming to rest after going over the goal posts brought many favorable comments from the spectators.

Along with "pledging in" new members both semesters, we undertook the task of transporting the orphans from the Green Bay Orphanage to one of our basketball games. Refreshments were served and the event was very much appreciated by the orphans. Along with sponsoring Friday night dances at the College, we were co-sponsors of the Intra-Fraternity formal which was held at the Northland Hotel during the month of November.

The St. Norbert College Servers Society voluntarily dedicates its time to God, the beginning and end of all things. Its members serve for all important religious functions on campus such as graduation, convocations, field Masses, the annual retreat and numerous other important functions.

The main purpose of Alpha Omega is to assist at daily Mass on weekdays in the Berne Hall Chapel and St. Joseph's Church. Alpha Omega is the only campus organization on the job daily. The Rev. Fabian A. Jolicoeur, O.Praem., the College Chaplain is the moderator.

The Alpha Nu Chapter of Alpha Phi Omega holds the distinction of being the first chapter of the national service fraternity to be chartered on a Catholic College campus. We aim to perform services beneficial to the student body, develop friendship and promote good-will to all humanity.

The fall banquet saw fourteen new pledges join the fast growing ranks of Alpha Phi Omega. Our second annual "Ugly Man" contest was again a big success with the "Ugliest Man on Campus, Bob Murphy" being crowned at the "Ugly Man" dance by last year's king, George DesMarais.

Besides furnishing ushers for various events sponsored by the College, the Fraternity helps to set up the annual Memorial Day Field Mass held on the campus, helps with the Bloodmobile which visits the campus, and many other worth-while projects. A new addition to our service program was the collection of food baskets for the nearby needy at Christmas time.

The annual Inter-Fraternity Formal at the Northland Hotel on November 19 was again a big success due to our efforts and those of our co-sponsor.

Spring found us holding more "Smokers" to acquaint pledges with our fraternity, and final acceptance of those pledges at the spring pledge banquet. We encouraged social life on the campus by sponsoring a number of Friday night "hops."

One of the smaller organizations on the St. Norbert campus is the S.A.A.C.S., or the Student Affiliate of the American Chemical Society. Its size, however, does not prevent it from being one of the most close-knit and active groups around. The purpose of the Society is to promote interest in the chemical field on the campus and off. The group is composed of chemistry majors and pre-medical students.

Meetings are held monthly, at which time movies and talks on current problems in the chemical world are discussed. Post-meeting socials are a bit of a fixture to round out the biggest little group on campus.

As usual, the 1954-55 St. Norbert College Band was very active in the activities of the College. Under the capable leadership of Mr. Norbert Ecker, the organization instilled spirit and color into many school functions.

The band made its first appearances of the year at the home football games and also played at all the home basketball games. It really came into its own at the homecoming game with a half-time show.

One of the primary purposes of the band is to provide the proper music for all military functions and this duty was again carried out to the letter. The main military ceremonies at which the band participated were the fall review, the spring parade, federal inspection, Father Keefe's retirement ceremony, and the dedication of the F. J. Sensenbrenner Hall.

Although it is a small organization, the Booster Club has a big task to undertake each year in arousing pep and attendance at all major sports events here at St. Norbert College.

One of the main functions of the Booster Club is to make signs and posters announcing the time and date of all home football and basketball games, as well as track meets. In the past, numerous pep meetings were held in Van Dyke gymnasium, but due to the Class schedule arrangement this was not possible. Plans are being drawn for the establishment of a student section at all games, so as to improve the cheering and integrate more pep.

So each year the Booster Club gains new members with new and refreshing ideas, all for the improvement of attendance and added interest in major sports on our campus.

The Collegiate Players are the thespians of St. Norbert College. They annually produce two or more plays to increase the culture and provide entertainment not only for the students but also for the general public. This year the productions were of two extremes. "Antigone" provided cultural entertainment for all those interested. The record production was "Dead Wood Dick," an old fashioned melodrama bordering on the ridiculous. Both plays provided entertainment to satisfy the desires and tastes of all and were very well received. Fr. Keefe is our moderator as well as our very able director.

The Future Officers Club is an organization composed of all first and second year advanced R.O.T.C. students. This group was organized so that its members may unite in a common effort to promote the interests of the R.O.T.C. as an essential element of our national defense. In this club the students strive to fit themselves better for the military profession, to strengthen the bonds of loyalty, fellowship, mutual understanding, and leadership so necessary in peace or war, and particularly to strive to make their own unit a superior contribution to the national training program.

Among the activities undertaken by the club each year is the sponsorship of the Military Ball which is annually one of the highlights on the social calendar. Along with this function the club has also taken on the duties of assisting the Military Department in preparing the first year advance corps students for summer camp and supporting all extra-curricular activities sponsored by the Military Department.

Delta Epsilon Sigma is a nation-wide Catholic honor fraternity. A faculty committee selects the members of the group according to scholastic achievement and Catholic ideals. The group is selected during their junior year and presented at commencement exercises.

This year's group acted as a service fraternity. All homecoming reservations were handled by it and the American Red Cross Fund Drive was conducted by it.

"The story you are about to read is true; not even the names have been changed!" Each year, a yearbook is published that follows! So the logical mind would conclude the Des Peres, being the St. Norbert College yearbook, is printed "annually." This of course is possible only if the concentrated efforts of several students are applied unendingly, in a small cold room in Van Dyke Gymnasium. (Those three flights of stairs are "murder.") A new editor was chosen this year. This was found to be necessary as communication difficulties prevented last year's editor from devoting sufficient time to the job besides, being a Second Lieutenant in Germany is a job in itself. Bill Nobles assumed the new role. He immediately enlisted the aid of several "Comrades in Crime"—or "helpers" as he calls them. Amid much confusion, sweat and toil, the form of the 1955 Des Peres began to take shape. Pictures were "oh'd" and "aw'd" at, making it quite a job removing grimy finger marks from them.

The idea of a Summer edition eased the pressure on the staff—giving them more time for television and the "finer things in life."

The Lambda Sigma Nu, or Ladies of St. Norbert, is the only organization on campus exclusively for girls. It is the objective of the sorority to fill the needs of the school and coeds in regard to: representation in the Council of Student Organizations; to render help when and where it is needed; and, to establish a bond of fellowship between the coeds. This organization is open to all coeds.

As well as being a service organization the sorority has held many social functions in the past year. We have had speakers of interest at our meetings following with informal teas. The biggest event of the sorority, however, is the pinning ceremony which takes place the first part of the second semester. It is then that the pledges receive their pins and charters. Miss Beatrice Callahan, Dean of Women, was enrolled this year as our third honorary member at this ceremony.

The St. Norbert Ski Club of 1955 was composed by a representative number of students from many parts of the country, and even of the world.

Although weather conditions prevented the club from being very active, we did take one long trip to Pine Mountain, which is located near Iron Mountain, Michigan. The skiing conditions that day were excellent, and everyone had a wonderful time. A misfortune occurred on the way home, however, when a policeman, probably because of a faulty speedometer, presented a speeding ticket to one of our members.

Besides this one all-day excursion, we also skied on various occasions at the public ski-hill at Baird's Creek, which is only about ten miles from St. Norbert College.

All in all, the ski club enjoyed a fun-filled season, and we who are not graduating this year are looking forward to next season.

Our organization this year had a new moderator, Rev. J. A. Mailhot. Father's experience and enthusiasm were great factors in the success of our activities.

Our meetings, twice a month, were spiced by panel discussions and reports on interesting magazine articles of a religious nature.

"To Jesus through Mary," our motto, was put into practice by members of our group who led the daily noon-hour rosary in Saint Joseph's Church. It is a standing rule that each Sodalist say at least one rosary a day, and receive Holy Communion together monthly.

We sponsored a collection among the student body for the purchase of a hand-carved statue of Saint Norbert to be placed in the new Abbot Pennings Hall of Fine Arts.

Also a contribution was made to the Maryknoll Sisters in Korea.

Socially, we sponsored a dance just after Lent.

The Times is one of the oldest organizations on the St. Norbert College Campus and began its twenty-fifth anniversary year with the first issue of the 1954-55 school year.

The College newspaper first rolled off the presses in 1929, under its founder and then faculty moderator, Rev. Anselm Keefe.

Chief accomplishments during its long existence were the winning of All-American collegiate press honors three years in the 1930's. Besides this the St. Norbert Times consistently receives high ratings among Catholic college newspapers of the country.

This school year also witnessed the establishment of a new circulation record. In February 3200 copies of the Times were printed. It is believed that this new high made the Times the most widely circulated paper from a school the size of St. Norbert College anywhere in the nation.

Americans take many of their tensions out in athletics. They learn to win generously, lose gracefully, and to react quickly under competition—a prerequisite to living in our society. Both participants and spectators benefit from the relaxation, recreation and, possibly most of all, from the sheer fun of the sport. Athletics at St. Norbert are a tradition, long remembered.

The opening game of the season brought defeat to the Green Knights. Losing their first period advantages the Knights trailed by one point at halftime. Pass interceptions and costly fumbles took their toll in the second half, and St. Norbert failed to score again.

Fumbles in the first and second quarters gave the Loras College Duhawks a 14-0 edge over the Knights at halftime. After recovering a Loras fumble in the third quarter it took St. Norbert only three plays to score. Neither team tallied in the remaining period of play, and so the final score stood 14-7 with Loras on top.

After scoring first the Michigan Tech Huskies could not stop quarterback McMillen's 80 yard runback of their kick for a Knight touchdown. The game remained tied in the third quarter until St. Norbert slammed over for another score and took a 13-7 lead. The "Huskies" retaliated with a pass play touchdown which put them ahead by one point. With three minutes of playing time remaining, a blocked punt gave the "Knights" an opportunity to score making the final score 20-14, St. Norbert.

The unbeaten Pioneer "11" from Carroll College invaded Minahan Stadium confident of victory. A second quarter touchdown pass gave the "Green Knights" a lead which was strengthened later by a 27 yard field goal. Carroll threatened only once and was held by the tight defense of St. Norbert. The outstanding offensive and defensive play gave St. Norbert a victory to be proud of.

Jerry Hussin dives for more yardage as Hoerning comes up to assist.

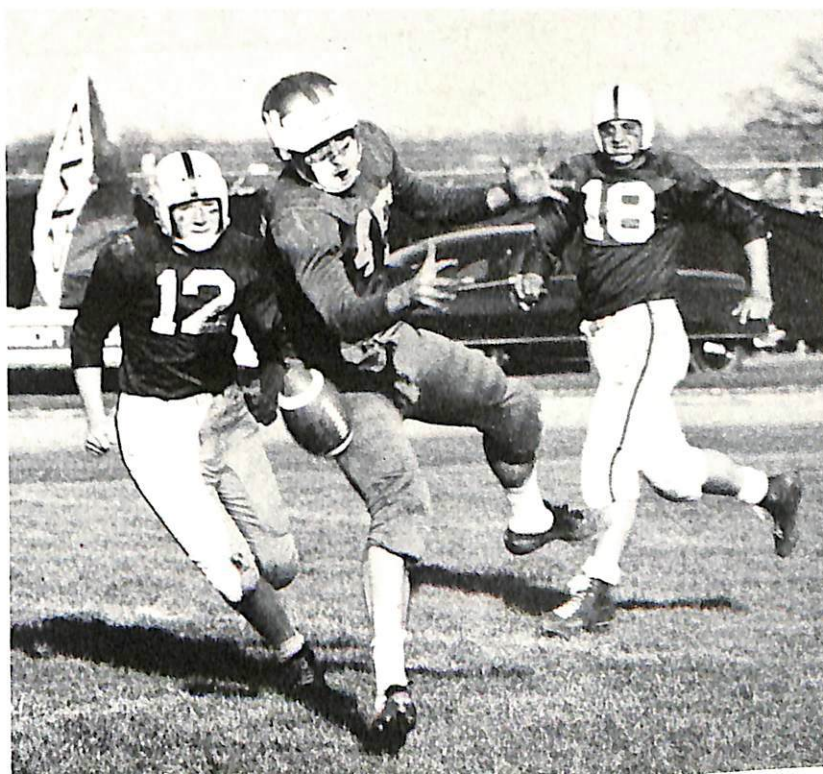

Bob Hoerning sets off on another long gainer for the Knights.

The "Bees" of St. Ambrose playing before a homecoming crowd in Davenport, Iowa, turned a blocked punt, a recovered fumble and a pass interception into the third loss of the season for the Knights. St. Ambrose scored the first time they had the ball and again in the second quarter. Shortly before the end of the half a 3 yard touchdown and a conversion gave the knights 7 points. After intermission the "Bees" recovered a fumble and in two plays scored again. Late in the last quarter St. Norbert scored on a 14 yard pass but lost the game to an enthusiastic Ambrose team.

Playing a hard game the Green Knights could not stop the powerful Lewis Flyers. The tough Flyer defense stopped the Knights three times inside the 10 yard line. Late in the second quarter St. Norbert drew first blood on a 23 yard pass from Bourgeois to Bob Hoerning. The try for the extra point was blocked. Lewis scored twice in the second half which proved a sufficient margin to win.

St. Norbert cruised for an easy 40 to 0 win by playing strong defensive and offensive ball. Dick McMillen passed for two touchdowns, one to Jerry Hussin and the other to Bob Hoerning. Joe Lutz and Brant Bourgeois both scored on one yard plunges. Bob Mickeljewski scored on a 14 yard burst and Bill Van Lanen scampered 46 yards to pay dirt for the final tally.

St. Norbert came from behind twice to finish the season's finale in a tie. The Pointers scored first in the second quarter. The kick was wide. Just before the half Dick McMillen sneaked over for the score and converted to give St. Norbert a 7 to 6 lead. The Knights held this lead all the way through the third quarter. In the fourth quarter the Pointers scored on a 36 yard drive. Dick McMillen scored the final touchdown on his patented keeper play. The try for the extra point was wide. St. Norbert ended the 1954 football season with a record of 3 wins, 4 losses and one tie.

S.N.C. 71—MISSION HOUSE 64

After a slow start St. Norbert finished strong to win its season opener at Mission House. Being held to only two points in the first half Jim Ritchay came back to lead the scoring for the Knights with 19 points. Center Bob Bugalski was second with 16 points.

S.N.C. 77—MILWAUKEE STATE 65

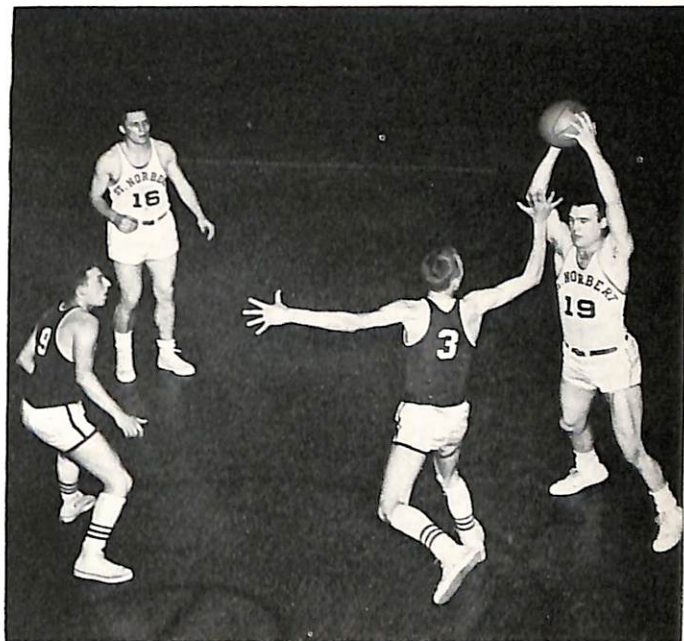

After fighting tooth and nail for the first 25 minutes St. Norbert broke away and blasted the Gulls out of the gym. Scoring 29 points "Bugs" Bugalski led the way to the Knights second straight win. Guard Jim Ritchay held runner-up spot with 20 points.

S.N.C. 88—LA CROSSE STATE 71

With five players scoring in the double figures the Knights won their third straight game by overwhelming a strong La Crosse team. Bob Bugalski again led the way with 19 points. Bob Hoerning took runner-up scoring honors with 15 points.

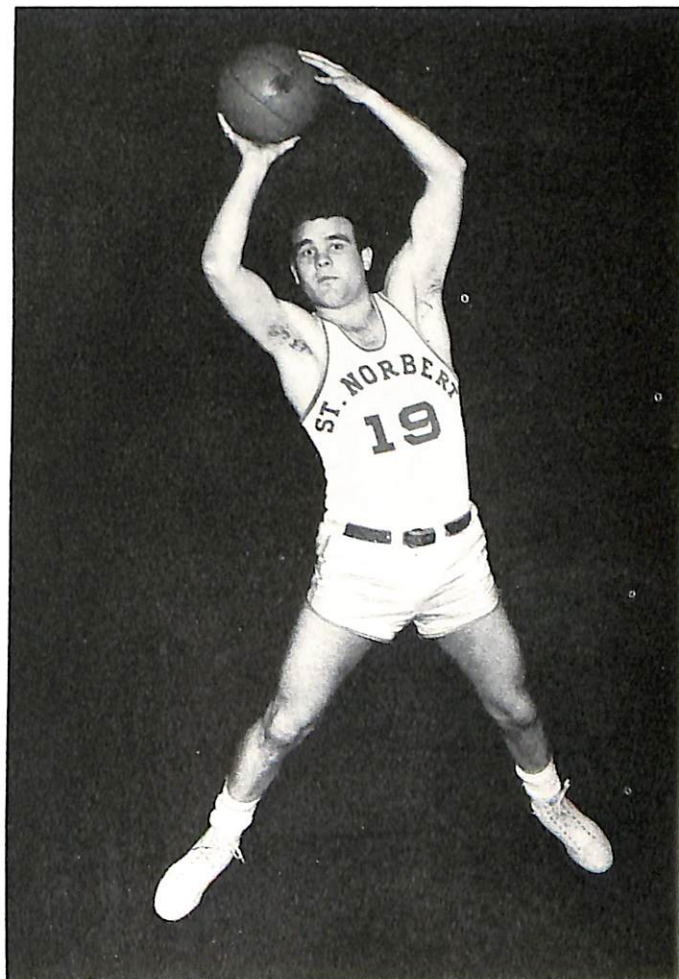

S.N.C. 71—STEVENS POINT 66

Bob Bugalski garnered 30 points to lead the way to St. Norbert's fourth straight win. The game was hard fought all the way but with the superb shooting "Bugs" and the fine playing of the other players the Knights came out on top. Bob Hoerning was again runner-up with 12 points.

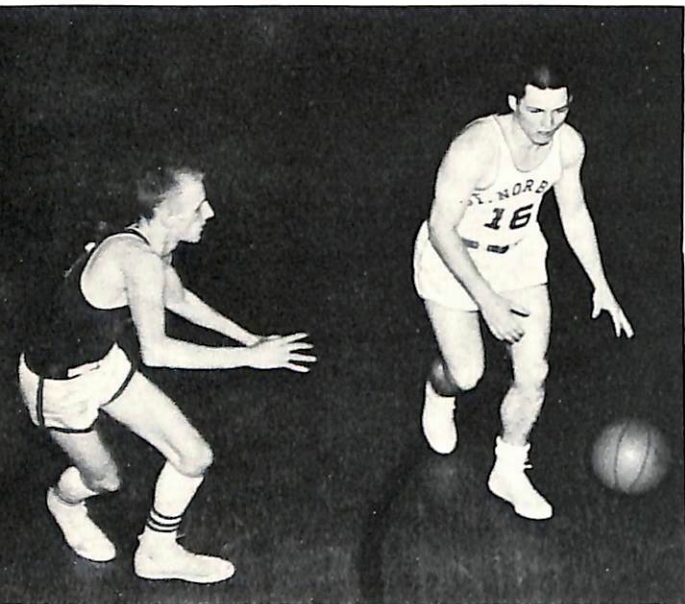

Hoerning holds the ball high as Ritchay looks on.

Forward Bob Hoerning.

Forward Pat Tierney.

#### S.N.C. 47—MARQUETTE U. 83

Height and depth were too much for St. Norbert. Using the pass and stall method Al Skat's boys made it a game for the first ten minutes but the superior height told the story. Pat Tierney led the scoring of the Knights with 16 points. Jim Ritchay was second with 12 points.

#### S.N.C. 82—ST. JOSEPH'S 76

Getting back into the winning column St. Norbert, after playing even ball for three quarters, finally nipped St. Joseph's 82 to 76. Bob Hoerning got 20 points to lead the scoring for both teams. Jim Ritchay was runner-up for St. Norbert with 15 points.

#### S.N.C. 56—LORAS 68

Loras College handed St. Norbert its second defeat of the year. The Knights could not match the scoring of Lang and Ottave of the Duhawks. Bob Bugalski and Jim Ritchay led the Knight scoring with 14 points.

#### S.N.C. 56—CARROLL 64

The Green Knights got the new year off to a bad start by losing to the Pioneers 64-57. Inability to hit from the field proved the difference. Bob Bugalski paced the Knight attack with 26 points.

#### S.N.C. 73—LORAS 86

Falling short in a tremendous second half comeback the Knights lost their second game of the year to the Duhawks 86-73. Bob Neja, with 27 points, gave his best collegiate effort so far.

S.N.C. 94—PLATTEVILLE 98

It took an overtime to do it, but Platteville State finally managed to hand St. Norbert its fourth straight defeat. Bob Neja again paced the Green and Gold with a total of 23 points.

S.N.C. 91—ST. AMBROSE 80

Snapping a four game losing streak by upsetting the Bees of St. Ambrose 91-80, Freshman Pat Tierney broke the individual scoring record for St. Norbert College. Tierney scored 33 points to beat the old record by one point held by Jim Ritchay.

S.N.C. 94—MICHIGAN TECH 87

Closing a four game home stand the Knights dumped Michigan Tech. Guard Jim Ritchay led the scoring attack with 27 points. It was Jim's best effort of the year. Bob Neja scored 20 points; the fourth straight game that he scored 20 or more points.

S.N.C. 84—MILWAUKEE STATE 81

Fighting an uphill battle all the way, the Green Knights defeated the Gulls for the second time this season. Bob Neja scored 25 points to lead the Knights in scoring. Hoerning and Tierney were runners-up with 16 points each.

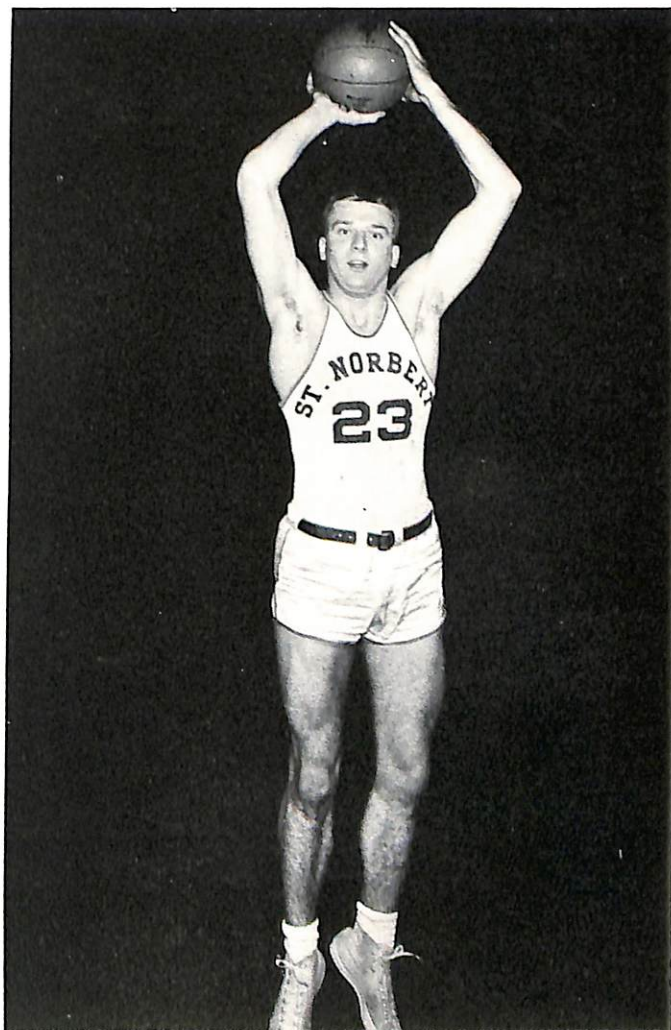

S.N.C. 76—RIPON 69

As St. Norbert defeated Ripon 76-69 Jim Ritchay scored 12 points running his four year total of points to 1,236 points breaking the old mark of 1,234 held by Romie Kosnar. Pat Tierney led the attack with 27 points.

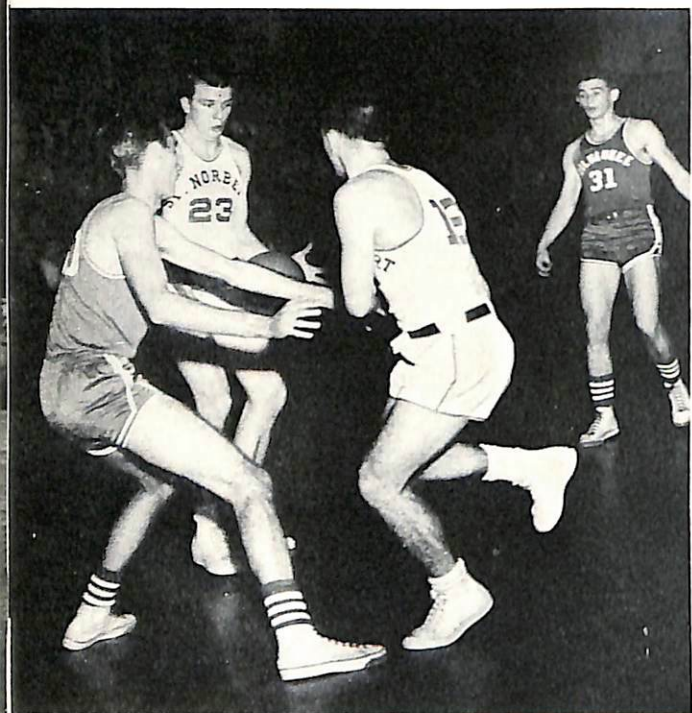

Ritchay drives hard for two more points.

Center Bob Bugalski.

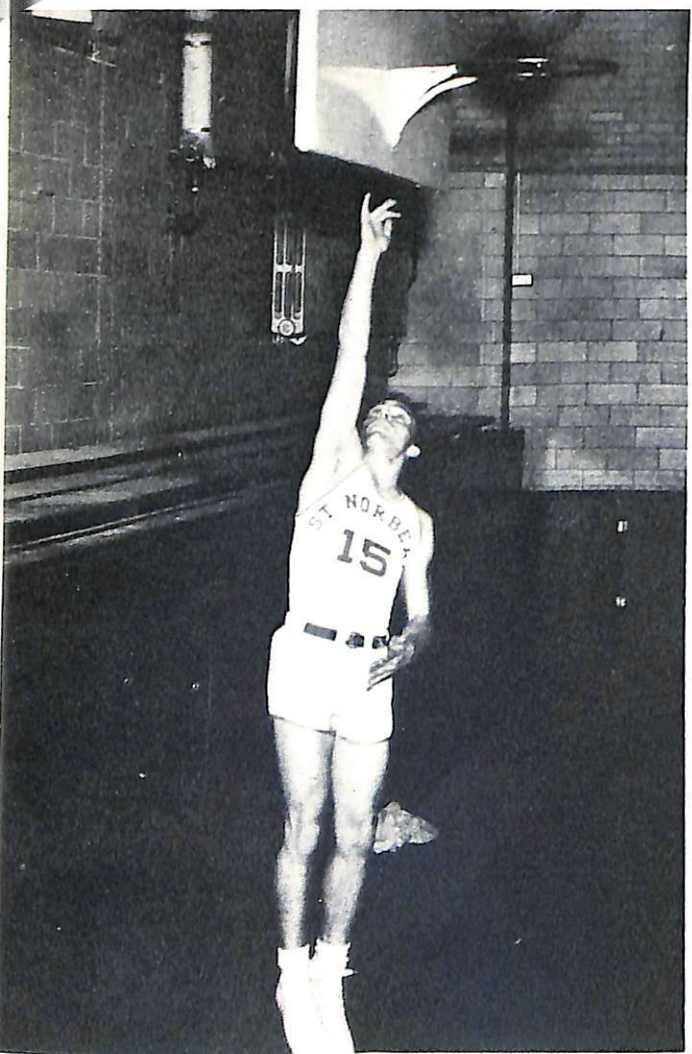

Don't you want the ball, Bob?

Guard Bob Neja.

#### S.N.C. 75—GREAT LAKES 60

For the first time in three years St. Norbert defeated Great Lakes. Bob Hoerning led the Knights with 19 points.

#### S.N.C. 61—DE PAUL 76

The Green Knights threw a big scare into big De Paul but were unable to keep up the pace and De Paul won its 106th straight game on its own floor. Freshman Pat Tierney led the Knight scoring with 18 points.

#### S.N.C. 75—CARROLL 68

It took a strong second half plus some last minute stalling before the Knights could take home a victory from Carroll 75-68. Forward Bob Hoerning was high for St. Norbert and the game with 25 points.

#### S.N.C. 89—GREAT LAKES 78

After having to battle for a four point lead at halftime, the Skatmen took a commanding lead over the Sailors from Great Lakes and coasted home to a victory. The Sailors made a fine last period surge but by then the Knights had outdistanced them. Jim Ritchay with 26 and Bob Bugalski with 21 points led the scorers for the game.

S.N.C. 90 LEWIS 97

Scoring 90 points in a game should insure victory but against the hot-shooting Flyers and playing on a foreign court it wasn't quite enough as the Knights dropped a free scoring game. Hoerning chipped in 24 points to lead the Knights in their losing effort.

S.N.C. 75 MICHIGAN TECH 93

A combination of superior rebounding and hot shooting by Michigan Tech resulted in the eighth loss of the season for the Knights. Hoerning and Ritchay with 23 and 21 points respectively led St. Norbert in scoring.

S.N.C. 77 CENTRAL STATE 74

Traveling to Stevens Point the Knights fought the towering Central State Teachers to a standstill edging them out in the last minute of play. Balance again was the Knights strongest asset with each starter garnering at least 10 points.

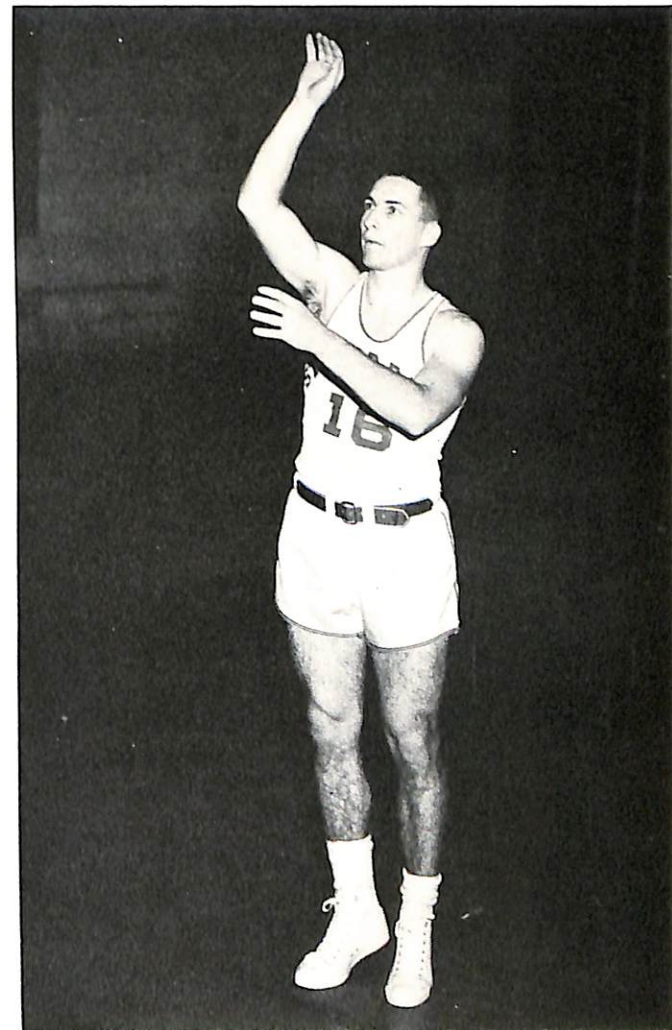

S.N.C. 74 LEWIS 59

A brilliant all-around attack capped the Knights finale for the 1954-55 season. Four seniors closed out their collegiate careers by leading the team to a surprisingly easy victory over a strong Lewis College team. Jim Ritchay, Bob Hoerning, Bob Bugalski and Corky Hoelt closed out their careers.

Al Bleser passes off to freshman Jerry Nettesheim for two more points against Lewis.

Coach Mel Nicks

Coach Nicks' thinclad runners provided their followers with one of the most successful and exciting years of Knight track history. Three new records were chalked up on the books along with two old ones that were equaled. The fine record of 5 wins and 1 loss stamped the Knights as one of the better small college track teams in the state.

Captain Jim Van Straten, St. Norbert's outstanding sprinter is shown capping his brilliant career by setting a new school record of 9.85 seconds for 100 yards.

Jack Santulli gets off a long heave with the javelin.

Without a doubt the greatest distance runner ever to wear the Green and Gold, Bill Snedic is shown winning another race by the usual wide margin. Bill is a unique runner in that he runs both the mile and two mile in each meet. He holds the school record for both distances.

Versatile Bill Corcoran was responsible for one new record and for some top performances in several other events besides his specialty, the shot put. He tossed the 16-pound ball 41 feet  $8\frac{3}{4}$  inches, breaking the old record by nearly a foot.

Although known primarily as a basketball player, Jim Ritchay was also a valuable addition to the track squad for four years. He is co-holder of the college pole vault record with his brother, John, a Knight star a few years ago.

All around man, Bill Corcoran, is shown garnering some more points for St. Norbert, this time in the high jump. Bill accounted for 91½ points for the season. Quite an accomplishment for one man!

Left to right: John Murphy, Dick Mitchel, Reg Barlament, Jim Burns, Jim White, Tcm Dupont, Skip Berigan and Quin Herlick.

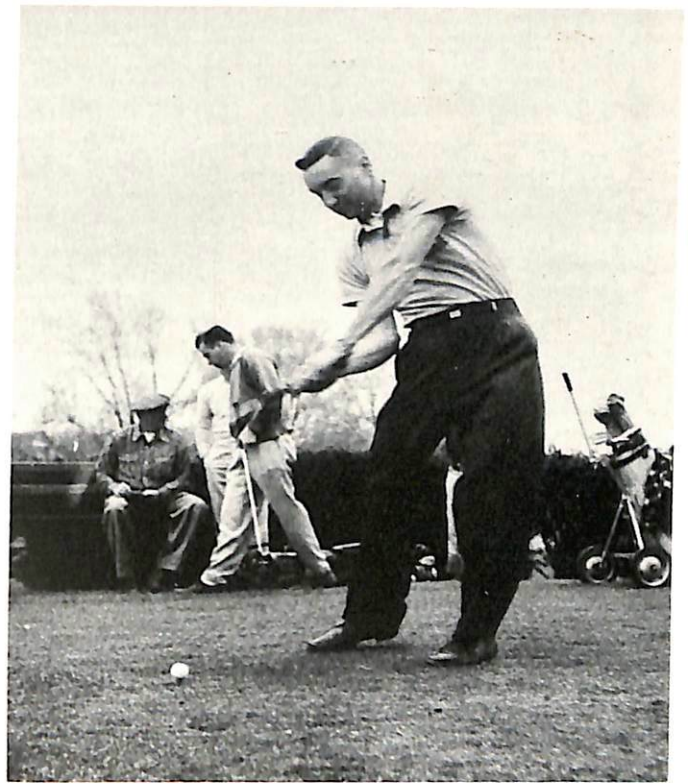

Coach Tom Phelan.

1955 was a banner year for the St. Norbert Golf squad. Coach Tom Phelan's men turned in the best season in St. Norbert history. It was not until the last match of the season that the Knight golfers faced defeat. Oshkosh State turned back St. Norbert's bid for a perfect season. Tom Dupont led St. Norbert averages for the season averaging 79.6 strokes per round. Skip Berigan topped the individual point total of the season with 15 points.

Jim White makes like "Sam," long and straight.

Quin Herlick belts one off the first tee.

The building of the New Abbot Pennings Hall deprived the Norbert Netmen of their home courts but didn't deprive them of the spirit and scrap. Forced to play at the Green Bay Fish Park courts for their home matches and lacking the amount of practice necessary, the Knights had a rocky season ending with a 1 and 4 record.

The St. Norbert rifle team is not well known around the college, but they made their mark around the country. Sgt. Suit's men competed in twenty-six postal matches, coming out victorious fifteen times. An outstanding record considering that among their opponents are numbered such large institutions as the University of Wisconsin, Notre Dame, and Michigan State.

For the first time in three years the Provokers failed to cop the intramural football championship. The lineup, a powerful team composed mainly of Green Bay students, beat the Provokers 12-0 in the championship game. Eight teams made up the league and provided a hard fought exciting race.

# Judo

Pupil throws teacher.

During the past year a new sport entered the St. Norbert College athletic annals. The Gentle Art of Judo. Dana Smith was responsible for its innovation and passed his knowledge to three other students. Judo is never dangerous, nor painful. Its strong points are that it can be practiced everywhere, the year round, without many participants, and in a simple manner. It can be performed not only as a sport but as a physical culture. At the same time, it can afford us the valuable art of self-defense. It is a sport to be enjoyed fully by women, old men, and boys and girls.

Teacher pitches pupil.

Intramurals on campus were not limited to men alone. The girls had their share also. Here are some pictures of their basketball tournament at the end of the year. Their skill was limited but their enthusiasm was overwhelming. More enthusiastic crowds followed these games than ever were seen in the gym. The Pokey Dots won the title.

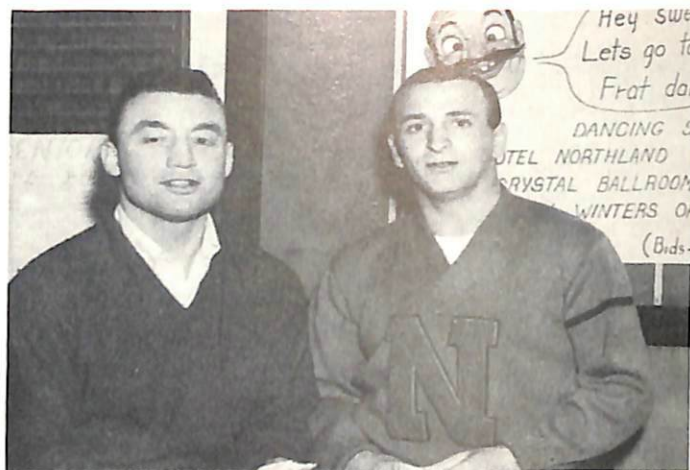

School days would be oh! so dull without those little co-curricular events which give us a chance to "get away from it all."

# ACTIVITIES

# Inter-Frat Dance

Left: Marv. O'Connell, pres. A.D.G.  
Right: Jack Santulli, pres. A.P.O.

At 9 o'clock, the evening of Friday, November 19, the first major social event of the school year got under way. It was the annual inter-fraternity semi-formal, sponsored by Alpha Delta Gamma and Alpha Phi Omega fraternities. The event was held at the Crystal Ballroom of the Hotel Northland in Green Bay. Marv O'Connell and Jack Santulli, presidents of the respective fraternities were in charge of the event.

Honored guests for the evening were the Dean of the College, the Very Rev. M. J. McKeough; Dean of Women, Miss Mary Lanigan; and Dean of Men, the Rev. Robert Cornell.

The inter-fraternity dance lived up to its reputation of always affording an enjoyable evening for those who attended.

## On The Side of The Angels

The 1954 Spring play, "On the Side of the Angels" depicted what would happen in a small New England community if a large sum of money was left to be used for the "common good." A newspaper editor, mayor and superintendent of schools finally compromised in a most enjoyable third act. Father Keefe's staging of the production was termed "extremely realistic."

The Cast: Left to right: Roger Mommaerts, James Ritchie, Wayne De Lorme, Katie Bagnall, Victor Kopidlansky, Kathryn Christensen, Barbara Steffanus, Ray Piper, Dick Mortell, Tom Bronder, Ruth Laun, Roger Lawyer.

## Antigone

Highlighting the 25th anniversary year of the Collegiate Players was their presentation of "Antigone," Feb. 15 and 16. This was the 48th production which the players have staged during their quarter century of activity on St. Norbert's campus.

The play employed the Greek principle of unity, with all the action occurring in one location within a period of 24 hours.

A unique feature of this production was its use of almost no hand props or properties. As a consequence, the task of holding the audience's attention rested entirely upon the actors. This technique was seen for the first time on St. Norbert's stage in "Antigone."

Grease and powder comes off much harder than it went on.

# "Deadwood Dick"

The cast: left to right:  
K. Bagnall, D. Galligan, R. Lawyer, J. Fierst, D. Mintjal, M. Hunt, A. Morneau, K. Christensen (hidden-wielding hatchet), B. Steffanus, J. Cayer, C. Richardson, J. Duggan (kneeling), W. DeLorme (on floor), M. Ausloos, J. Hussin, J. Jcnes, J. Kerrigan, J. Lefebvre, T. Bronder, R. Piper, R. Jilek, R. Mommaerts.

or "The Game of Gold"

Ned, the "tall Texan" vaults over the bar to save Lily Blossom, as the sheriff shoots him "South of the Border."

Departing from the usual "intellectual" type of production, the Collegiate Players swung to something more enjoyable, or laughable! The tale of Deadwood Dick, by Tom Taggart, was based on some of the sixty-four dime novels which Edward L. Wheeler began to produce in 1876, and which for many a year were secretly read by the youngsters of America (and even more secretly, by their parents).

"Cling not to that wretched woman, Mally, she has committed the 'unpardonable sin'!"

# Christmas

The St. Norbert Abbey Choir, with a background of tall Christmas trees. The choir was directed by Father Robert Olson.

Prof. N. J. Ecker directs the college Mixed Chorus, with instrumental accompaniment in Jesu, Joy of Man's Desiring. Illness kept Father Sromovsky from the concert. A recording was presented to him.

# Concert

The College Concert Band, conducted by Mr. Ecker, provided stirring band music; they also aided in community singing

Frater Bartholomew Agar, organist, with the Abbey Choir.

# Honorary Degree

Abbot Killeen confers the degree, with Father Claridge assisting.

On Monday, Nov. 8th, St. Norbert College conferred an extraordinary honor on one of De Pere's leading Citizens, Miss Helen Mathews retired as De Pere Public librarian after 56 years on the job. In gratitude and appreciation, the college faculty voted to present her with an honorary degree of Master of Library Science.

The Right Reverend Abbot S. M. Killeen, O. Praem, conferred the honorary degree upon Miss Mathews at a special convocation. Attending were the St. Norbert College faculty, student body, city officials and friends of Miss Mathews.

Miss Mathews retired at the age of 75 and is "off the schedule" as she put it, free to relax if she desires, for the first time in more than half a century. "Miss Librarian," as far back as most De Pere residents are able to remember, began her library work in 1897. This is the first honor of this nature that the College has ever conferred.

Miss Mathews, with Mr. Pieters, college librarian and Miss Beverly Marlowe, asst. librarian, lead the processional.

## Fr. Keefe Retires

The Rev. Anselm M. Keefe, O. Praem, retired from his military duties after 30 years of service. He was honored at a special convocation on Monday, February 7th, in Van Dyke gymnasium. St. Norbert College faculty members, the entire ROTC battalion, and other students, along with various military dignitaries and special friends gathered at 11 o'clock for the ceremonies. Included among those present were Major General Ralph Olson, state adjutant of the Wisconsin National Guard.

Father Keefe's retirement was effective as of Jan. 31, 1955. Father Keefe has a military record that dates back to 1921. He was chaplain of the 135th Medical Regiment during World War II and since then has served as Chaplain of the Wisconsin National Guard. He retired as a full Colonel.

## Convocations

The Wisconsin State College Choir from Milwaukee conducted a tour from March 30 through April 1. For their concluding concert the choir, under the direction of Arnold Jones, presented an interesting and varied program of vocal music in Van Dyke gym.

The program was divided into four parts: Religious; specialty selections; folk melodies; and pop tunes. Specialty groups—the Girls' Quartet, the Blue Notes, Mixed Quartet, and Madrigal Singers provided variety for the program.

The only program of its kind on the campus this year—the concert was thoroughly enjoyed by the entire student body.

# Reserve Officers Training Corps

After four years work as R.O.T.C. cadets, young men become officers in the United States Army, in their selected branch. R.O.T.C. work is handled in two places; the classroom teaches theory of military operations, while it takes actual practice on the drill field to develop the traits of leadership in the officer candidate.

The process resembles a cycle with the Juniors and Seniors using leadership to teach the Freshmen and Sophomores drill and command.

## Ugly Man

The annual "Ugly Man" contest sponsored by Alpha Phi Omega fraternity was climaxed when last year's ugly man, George Desmarais, crowned Bob Murphy with the 1955 title.

## Weekly Dances

The high point of weekly campus social activity came at the Friday night dances, held in the college dance hall. Each organization had opportunity to sponsor a dance. Bill (hi-fi) Nobles supplied the danceable music. Various new decorative themes appeared each week to keep the scene interesting and different.

The second semester "get acquainted dance," seems to be accomplishing its purpose.

- 2 Lt. Bossert returns to examine improvements in his alma mater.

The installation of the new cafeteria made possible a longer lunch hour and easier serving of food.

## A Fond Farewell

Capt. Sharpe and Lt. Col. Teeters anxiously examine their gifts.

There is always sorrow at any parting—especially when such a close association has to be ended as that which existed between Lt. Col. Bernard Teeters, Professor of Military Science and Tactics for four years, Capt. Philip Sharpe, assistant PMS&T for three years, and the many friends which these men and their families have made here.

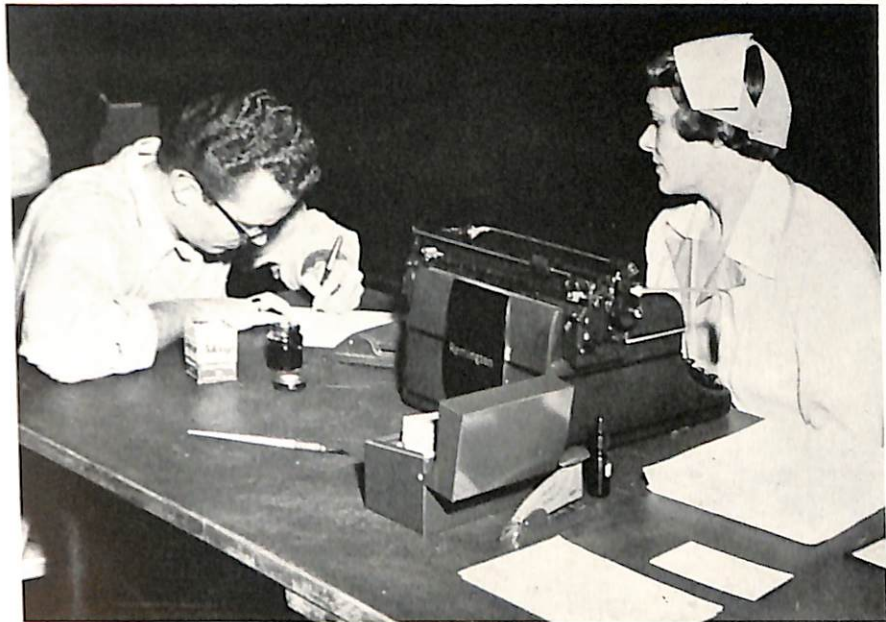

In an attempt to lighten the burden of parting and to leave these men and their families with something with which to remember us, the cadet battalion, and the college presented them with a small remembrance at a Review parade held in their honor. It is our hope, that the days spent at St. Norbert will be held high in their memories.

Cadet Lt. Col. Bob Hoerning presents the parting gifts on behalf of the battalion and college.

# Blood

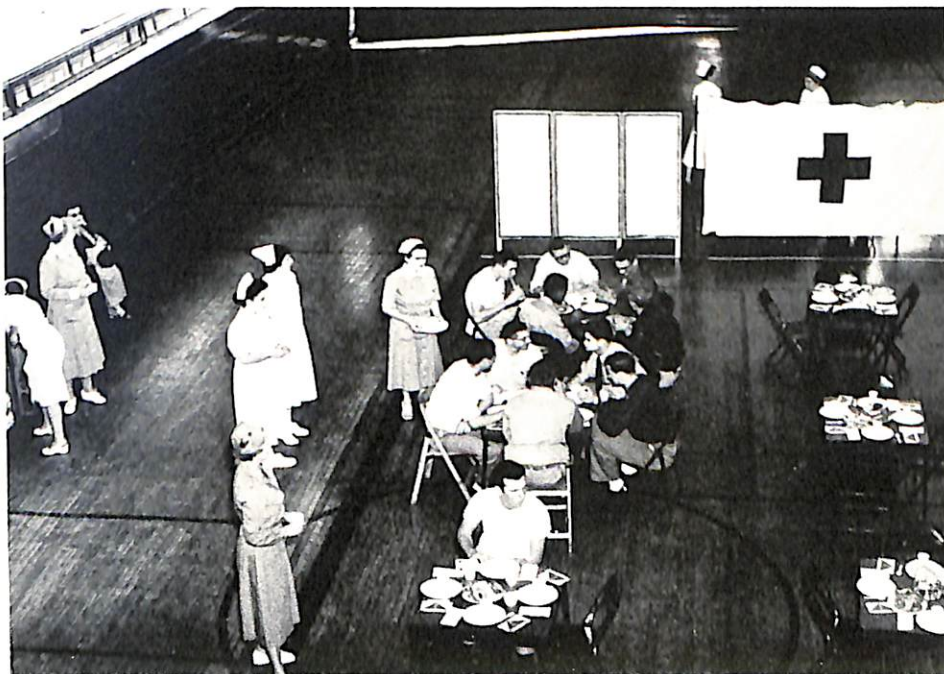

Chairman Jim Reinkober signs up to give his pint.

Wednesday, Oct. 20, the St. Norbert College students set a new one day blood donation record for Brown county. They did so by giving 222 pints as the Red Cross Bloodmobile, under the sponsorship of the C.S.O., appeared here from 10 a.m. to 4 p.m.

A year before the bloodmobile collected 396 pints, but that was in a two day stand. In a single day last spring, 171 pints were secured. The quota for this appearance was 170.

St. Norbert College is the present defending national collegiate blood donor champion and the students' cooperation in the project proves that it will not be any easy task for any other college to take that title away.

The C.S.O. and Jim Reinkober, general chairman, sincerely thanked all who "parted with a pint" and thereby made the program a success.

"Anything for free food." Mike Sacher is eating all four place settings.

A May Day observance which was highlighted by the dedication of the new campus Marian shrine was held Monday, May 2, before Berne Hall.

Preceding the dedication ceremony, a solemn procession was held from Boyle Hall, to the site of the new shrine.

Included in the procession were the Band, Lancers and color guard, with the College choir, May Queen, her court, College officials and faculty.

Following an invocation by the Rev. Fabian Jolicoeur, school chaplain, the Very Rev. Michael J. McKeough delivered a brief May Day address, the central theme of which was the position of Mary in the lives of the Order members, faculty, students, alumni and friends of the College.

Day

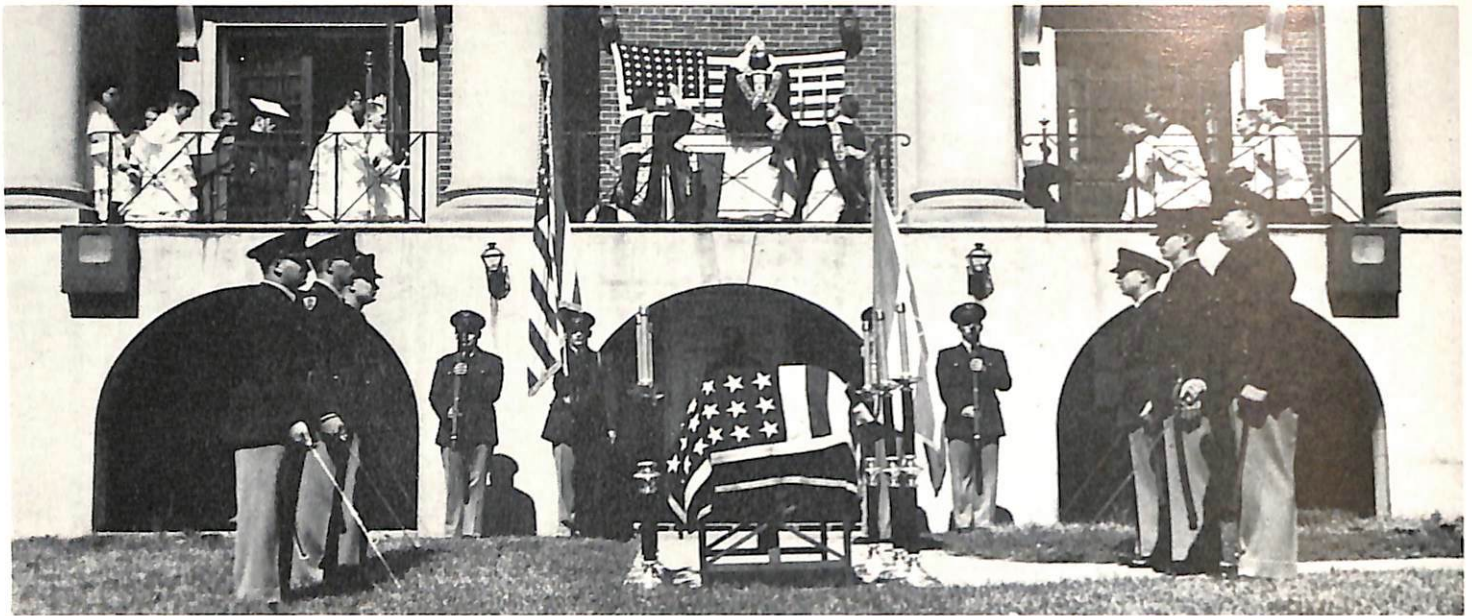

After a hymn by the College chorus, Dean McKeough blessed the new marble statue which graces the pedestal created for it several months ago. The statue itself arrived from Italy a few weeks before the ceremony.

Of Carrara marble, the six foot likeness of Mary is adorned with a crown depicting the queenship of Mary which was announced last year by Pope Pius XII.

The blessing of the statue was followed by the traditional May crowning, this year in the care of Lambda Sigma Nu. While ten maids of honor formed the queen's court, sorority president Catherine Schmitz placed the wreath of flowers about the head of the statue.

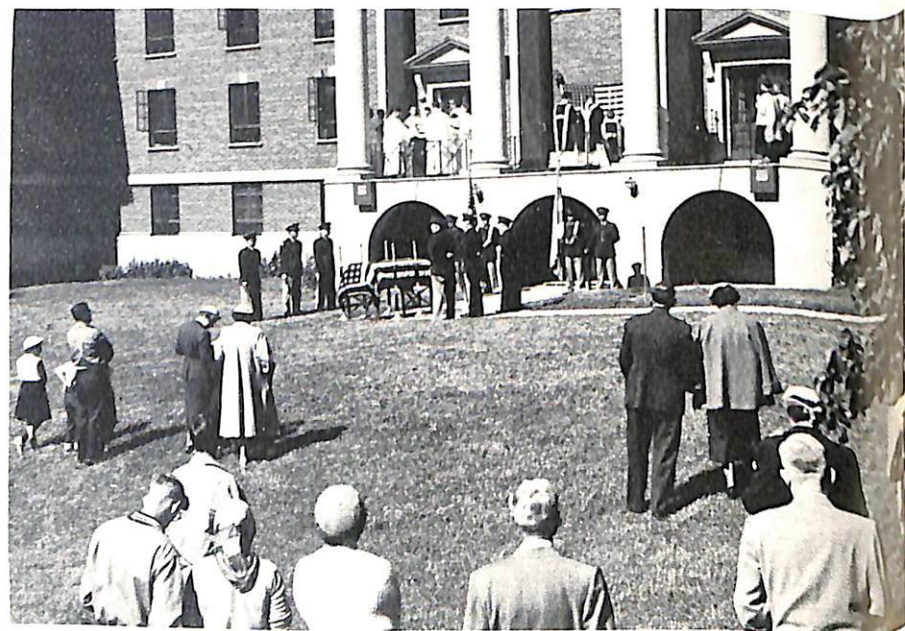

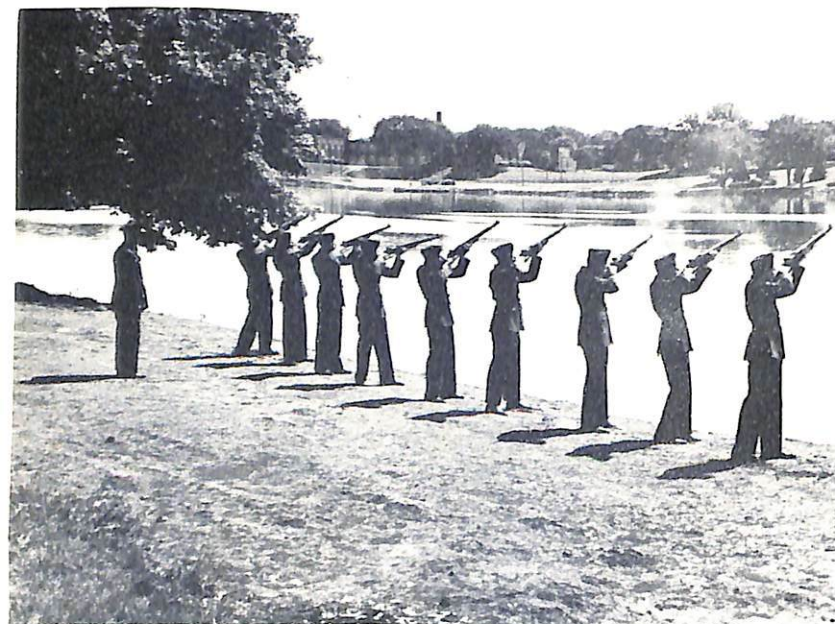

## Memorial Day

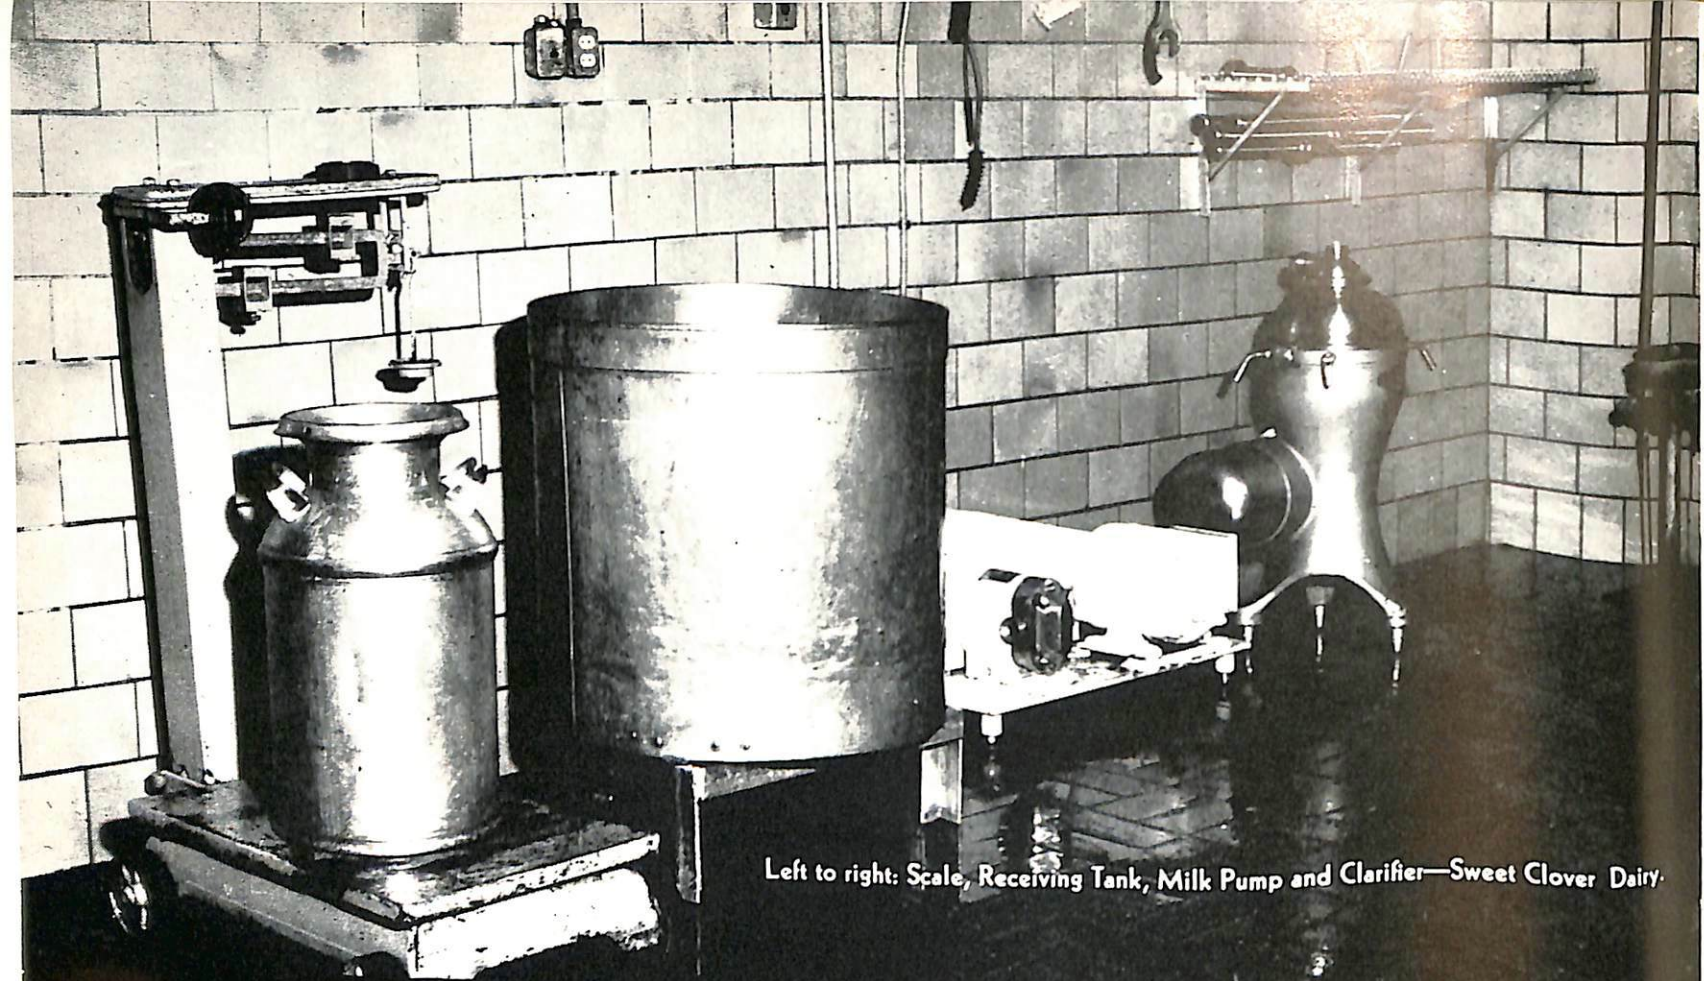

Commencement Week began on Memorial Day. The traditional Field Mass was celebrated on the east portico of Berne Hall. The celebrant was the Rev. Thomas Fox, O. Praem. The R.O.T.C. provided an honor guard, firing squad, and color guard. The Solemn Requiem Mass was sung by the Abbey Choir. A member of the alumni association read the scroll of alumni killed in time of war.
