Gerry Diaz

The inside view

When **Gerry Diaz** was a student at St. Norbert College, he shared digs with the Green Bay Packers. Now, he covers the team for CBSSports.com.

Diaz lived in Victor McCormick Residence Hall (VMC) – the same hall that houses the Packers when they stay on campus for summer training camp. So his first gig as a sports reporter on the national scene was actually brought him straight back home. As a student, Diaz interned in the college's office of communications – the same department that brings you this magazine.
