## St. Norbert College Magazine readership survey 2010

Our first reader survey since 2003 – and the first since we added an online component to the magazine – has given us an up-to-date picture of how you, our readers, feel about our publication. The St. Norbert College Magazine survey is contributing to data

gathered by some 200 colleges and universities through the CASE Magazine Membership Survey, for the first-ever broad picture of higher education publications' readership.

[Take a look at our data](#) to find out exactly what our readers think about what we offer – and what they'd like to see next.
