Here’s your new question:

You are now able to use your prior-prior-year tax returns when filing your student’s FAFSA application. This means, when applying for financial aid for 2017-18, you can use either your 2016 or 2015 (prior-prior-year) returns. If you elect to use your 2015 returns, you can file for aid now. You don’t have to wait until January 2017. If you’ll be filing, will you use your 2016 or 2015 returns?
