Instrumental Music at St. Norbert College

St. Norbert College offers wind and percussion students a variety of performing ensembles to explore, study, and perform a diverse range of instrumental literature. Ensembles include the Wind Ensemble, Concert Band, Jazz Ensemble, Flute Choir, Clarinet Choir, Saxophone Choir, Woodwind Quintet, Woodwind Quartet, Trumpet Ensemble, Horn Choir, Low Brass Ensemble, Brass Choir, and Percussion Ensemble. Membership in the ensembles are open to all students regardless of their major. The Jazz and Wind Ensembles are open to qualified musicians through successful audition.

The Wind Ensemble is St. Norbert's premier instrumental ensemble and is dedicated to excellence in the performance of both traditional and contemporary wind and percussion literature. Representing St. Norbert College in performances on campus, as well as through concert tours, exchange concerts, and performance clinics, they have been selected to perform at the Wisconsin State Music Educators Conference in 1988, 1999, and 2004. The Wind Ensemble has had a history of extensive international travel throughout Europe, Australia, New Zealand, and the Fiji Islands including trips in 1988, 1993, 1996, 2004, and 2007. In May 2010, the Wind Ensemble traveled to the Czech Republic and Austria for a 7-day concert tour. This unique musical tour featured a combined concert with a fine Austrian community band, thereby building a strong relationship with the Austrian audience and musicians.

Within recent years, the Wind Ensemble has also had the opportunity to host guest conductors Dr. James Bankhead, former conductor of the US Air Force Band in Washington D.C., Lt. Col. Philip C. Chevallard, former conductor of the US Air Force Band of the Rockies, and composer Samuel R. Hazo.

The Concert Band is St. Norbert's campus band. Participants in the Concert Band bring a variety of talents and skill levels to the ensemble. Although no audition is required, members in the SNC Concert Band are given the opportunity to improve their musical abilities while performing a wide range of challenging and entertaining literature.

The Jazz Ensemble offers educational and performance opportunities for saxophone, trumpet, trombone, and rhythm section students. The ensemble explores various genres of jazz literature, as well as the art of improvisation.
