# It's Quiz Time!

Here are the results from our last Parents of St. Norbert College quiz, published in the August 2021 newsletter:

How does your student typically travel around campus, to internships, back home, etc.? Check all that apply.

Here's your new question:

## November 2021

Which is your student most excited about this semester?

- Being able to interact with everyone (no pods!)
- No Zoom classes
- Resuming in-person student organization meetings
- Return of in-person internships

### We're Vaccinated!

As of last month, 82 percent of SNC employees and 77 percent of SNC students were fully vaccinated against COVID-19. We're hopeful those numbers will continue to rise.

#### Flu Shots Available

If your student hasn't yet received a flu shot, influenza vaccines are available at Health Services. The college is providing the quadravalent vaccine, which is one of the versions recommended by the CDC and safe to receive if you've also had a COVID vaccine.

The vaccine's \$35 cost will be posted to students' Bursar account. SNC will courtesy-bill your health care provider if your student's insurance information is uploaded to the school's Medicat Patient Portal
